Letter of Invitation

Dear international Atarashii Naginata practitioners,

it is with great pleasure that we send the registration information for this year's INF seminar. The event will be held in Germany, in the over 2000 year old city of Mainz. It's most famous son is Johannes Gutenberg, inventor of movable-type printing press – arguably the most important invention of the second millennium. Situated next to Rhein river, Mainz is a gateway to the beautiful Rheingau region, which is well known for its vineyards, river cruises and castles.

Please note that we will contact you again for ordering lunches and registering for the Sayonara party where the beer won't stop flowing.

I hope to meet you personally this summer in Mainz!

Yours sincerely,

Andreas Nicol
(President)

P.S. One of the local dôjô is going to organize a Tendôryû Naginatajutsu seminar right before the INF seminar (July 12 and 13) in Mainz' twin city Wiesbaden. If you are interested in participating, better hold your travel bookings until information is sent by the organizers (expected to follow soon).
